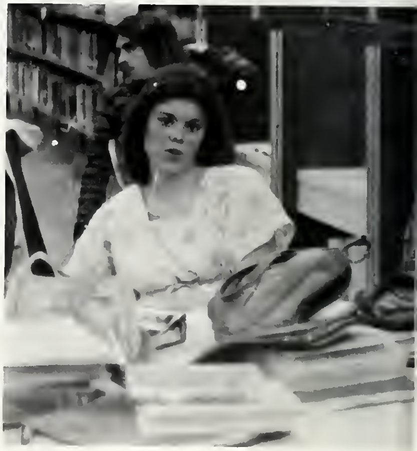
WE ARE THE FIRST

Looking back on these past four years of our lives we'll remember the joys and sorrows but what we should also remember is that our class was the first to experience them all at Cedar Shoals. We are the first class to complete all four years at this school. Our experiences will be well remembered by the future graduating classes.



OUR 200TH BIRTHDAY

After just two-hundred years our country has become one of the most powerful, influential, and highly advanced nations in the world. The 1976 graduates are entering this nation on there own for the first time and will help to build and develop it to an even higher state in the years to come. Our fathers and forefathers worked hard to make this country what it is today and we should work even harder to make it better.

This year's Senior class is indeed a special one because it will be the only high school class to graduate in the Bicentennial year. The 1976 Senior class demonstrated their superior spirit by winning the Spirit Stick at two Pep Rally's. For the Seniors of 1976 this year was a time of storing away memories and reflections of the past and future, only to be recaptured in the years to come.

JUNIORS

The school year of '75-'76 was a year full of memories that the class of '77' will never forget. The Juniors enjoyed the privileges of having open campus, which gave them more free time for part-time jobs. This was the year many juniors turned sixteen and started driving to school instead of walking or riding. In the fall the Juniors took the PSAT and the achievement test then nervously waited for their scores. Class rings of every color and style were ordered by the Juniors which will hold long lasting memories for years to come.

Cedar Shoals is indeed a fortunate high school to have such a spirited group of sophomores. This year's sophomore class activities was highlighted by winning the Spirit Stick at the Lakeside pep rally. The participation and cooperation of the sophomores at the pep rally was excellent and each class member has a great deal to be proud of. As the year comes to a close, the sophomores are anxiously awaiting next year when they can take part in open campus and drive to school.

This year's freshman class showed their upper classmen what school spirit was all about. Sometimes it was hard being the "new guys" on campus. They got pushed around in the halls, got lost in the huge building and even had to figure out how to leave campus for lunch-without getting caught!

Jaguars have Best Season Ever

"Pride '75" hit Cedar Shoals in a big way this year. Led by pre-season All American Jeff Pyburn, and all Area players Rick Dover, Danny Rogers, and Herbert Watkins, Coach Waters' troops finished the season with an outstanding 9-1 record. The Jaguars, who were ranked #7 in pre-season polls, climbed all the way to #1 in each of the three statewide high school polls during the season. The highlight of the season came when the Jags continued their unbeaten streak against Clarke Central with an early season 21-0 white washing. The Jags also avenged both of last seasons losses defeating Rockdale Co. 28-0 and Chamblee 21-16. The only blemish on an otherwise perfect record, was a heartbreaking 14-10 loss to Lakeside in a game for the sub-region crown. The '75 season was the result of determination and a lot of hard work, something that has become the trademark of all Cedar Shoals teams. The Mirari takes this chance to say- "We are PROUD OF YOU!"

B-TEAM SQUAD

Cedar Shoals' "Fantastic Freshman" squad certainly earned their nickname this year. The Jaguars had a "fantastic" 6-1 record, losing only to Habersham Central's B-team 32-20.

Also, for the first time ever, the Freshman won the City Championship, defeating Clarke Central on two occasions, 36-0 and 32-8.

With these talented athletes moving up to Varsity next year, the future should be bright for Cedar Shoals Football.

VARSITY CHEERLEADERS

Anyone who can get out on the field or court, and jump up and down like a jack in the box can be cheerleader, right? Wrong!

The Cedar Shoals Varsity Cheerleaders are all very special girls. They are chosen not only for their outstanding cheering ability, but for their grades, personalities, qualities of leadership, and sportsmanship.

This years squad did a superior job at camp. They won a Spirit Stick every night of camp and got all blue ribbons when their cheers were evaluated. To highlight their week of camp, the Varsity Cheerleaders were nominated for the Award of Excellence. This award was given to the best squad out of approximately 70 squads.

In addition to cheering, the squad also participated in other activities such as; homecoming floats, painting signs, organizing and giving pep ralleys, and serving the football players at camp and pre-game meals.

Although most people just saw the cheerleaders cheering, they really did have a rigid schedule. We appreciate you for a job well done.

Varsity Cheerleaders (L-R)- Marion Howard, Biddy McElhannon (co-captain), Mary McCoy, Patty Robins (captain), Pat Alexander, Randi Shanley, Lee Phillips, Beth Finnerty, Becky Box, Carolyn Jones, Cindy Maddox.

b-team most spirited group in school...

The B-Team Cheerleaders are probably the most spirited group in the school. Not only do they cheer on the Freshman and B-Teams, they also put a tremendous amount of effort into supporting the Varsity teams.

The girls sold ads, programs, ribbons, and did many other things to help out the Varsity Cheerleaders.

Hopefully, next year, many of these girls will be on Varsity.

Back Row-Beth Larsen (captain), Ellie Malinowski, Susan Mathis, Sandra Pittard.

VARSITY SOCCER

The Varsity Soccer team has had a very successful year. With the help of Coach Watson, Coach Wu, captains- Simon Barnett and Doug Hobbs, the Jaguar Soccer team has compiled some very exciting victories, with a 3-1 victory over Decatur highlighting the season.

With seniors Evans, Hobbs, Barnett, Madden, Jackson, and others, these players have guided the Jaguars to the successful team that they are. These players will be missed, but with the help of the other varsity players returning next year from this year and upcoming junior varsity players next year's team should be able to continue the winning tradition of Cedar Shoals Soccer. Good luck to the '77 team.

The Soccer Cheerleaders began their hard work this summer before attending NCA camp. Their work paid off, bringing home one blue and two red ribbons for their performance. But their work didn't stop, as they continued on through the season--practicing everyday, selling pep buttons, making goodie bags for the team, painting signs for everything from the bus to the locker room, and keeping the Jaguar spirit on the high.

The Soccer Cheerleaders are composed of a variety of personalities ranging from-- tattle-tale Shannon . . . star-struck Terri . . . "Weedy" loving Diane . . . crooked-kneed Katrina . . . every-happy Christy . . . Captain? Diana . . . and the 3 "Muskacheerers"- Kathy, Mary, and Celeste. Congratulations for a successful year!

Working hard to help the area's disadvantaged citizens and getting together for a good time are two activities Jr. Civitans believe in. They have accomplished both with remarkable enthusiasm this year, in projects ranging from a Halloween party for senior citizens, to a Red Cross blood drive, to a float for the Homecoming Parade. One on-going project that the members have enjoyed are the parties at the County's Youth Development Center, where teen-agers stay while awaiting hearings. Another has involved several fund-raising drives for retarded children. And of course they had a big smash with the wrecked cars before the Cedar Shoals- Clarke Central football game. The annual convention at Jekyll Island was a climax to a successful year.

Members worked hard all year to raise money for the Interact District Convention held this spring. The club is sponsored by the Athens Rotary Club.

EXCALIBUR

This year we had a special attraction to our school--WJAG, run by Walter Allen, he played music and did some jive talk.

As a result of much hard work and tremendous enthusiasm on the part of this year's newspaper staff, Excalibur surmounted many obstacles such as a lack of funds, and student apathy and produced a series of excellent newspapers. Rated highly by the Georgia Scholastic Press Association, The Excalibur hopes to uphold this standard of excellence.

We are very, very, proud of our band which helped to keep up the spirit at the football games besides always having a very delightful halftime show. Our band also performed at Georgia games and other public events. The CSHS band has it's various members in the Symphonic band and Jazz Ensemble also. The band had to practice after school a good bit this year, the members are a very dedicated group of students. Perfection is one of their goals and onlookers can just marvel at the perfect timing, rhythm and flowing music resulting from hours of practice and hard work. They deserve a bunch of praise and a lot of thanks.

THE CHESS CLUB

When you're trying to locate somebody who happens to be a member of the chess club, your best bet would be to check the library. Members oftentimes spend hours there, practicing their skills and perfecting their chess game.

The club sponsors several intra-school chess tournaments, as well as matches with other area high school chess players. In the past, they have had such notable foes as Oconee County and Clarke Central High Schools. More tournaments, with these and other area schools are planned for the future.

(Seated L-R) – Mike Thomas, John Entrekin, Tommy Aaron, Tom Algeo, Mike Logue; (Standing L-R) – Thomas Cook, Stephen Thompson, Randy Bufford, Tom McCrary, Isaac Woodall, David Turner, (Not pictured) – Saul Honigberg. Sponsor is Mrs. Jessie Eckenrode.

ROTC

Army ROTC Scholarships provide financial assistance for the education and training of young men and women who desire to pursue careers as commissioned officers in the Army after graduation from college. Students may pursue any course of study leading to a baccalaureate degree and engage in any extracurricular activities that do not interfere with their military science requirements. They will take the prescribed military science courses and attend camp.

Upon successful completion of military science and baccalaureate degree requirements, scholarship cadets will be commissioned as either a Regular Army or Reserve second lieutenant in the U.S. Army.
